MARRIAGE TIP: It has been established that an attitude of gratitude improves our health, but can it be beneficial for our spouse as well? Praise, sharing traits in your spouse you are thankful for, holding on to criticism and sharing compliments, thanking your spouse for the small (and large) moments you share – these are but a few ways you can show your spouse gratitude. When we take these actions to heart our spouse feels better physically, mentally and emotionally. A win-win for both partners!
