Next Week's Liturgical Readings

November 15, 2020 – 33rd Sunday in Ordinary Time

- 1) Proverbs 31:10-13
- 2) 1 Thessalonians 5:1-6
- 3) Matthew 25:14-30 or 25:14-15, 19-21

FOCUS: God empowers us to participate in his work to bring about good in the world.

We are called to participate in God's work to multiply goodness in our world, and God gives us all we need for this work. Especially in the Eucharist, we receive God's grace and strength that we, too, may be faithful in small matters and great responsibilities.

LITURGY OF THE WORD

The first reading from Proverbs declares a worthy wife as *having value far beyond pearls*. She is described as bringing goodness, being entrusted with her husband's heart, hard-working, and in fear of the Lord. Paul tells the Thessalonians that they are *children of the light and children of the day*, and thus, disaster will not befall them when the day of the Lord comes. In the gospel, Jesus tells a parable of the faithful servant who multiplies the talents given him by his master.

POPE FRANCIS' LAUDATO SI

ON THE FIFTH ANNIVERSARY OF HIS ENCYCLICAL "*LAUDATO SI*", Pope Francis has initiated a year-long anniversary to celebrate the letter and to deepen our understanding and appreciation for its focus on "the precarious state of our common home". Check out the website www.LaudatoSiYear.org. We will be hearing more about this as the year unfolds!

POPE FRANCIS' ENCYCLICAL *FRATELLI TUTTI*

Fraternity and social friendship are the ways the Holy Father indicates to build a better, more just and peaceful world, with the contribution of all people and institutions, with a strong confirmation of a 'no' to war and to globalized indifference. What are the great ideals for those who wish to build a more just and fraternal world in their ordinary relationships, in social life, politics and institutions?

These are the questions that Fratelli Tutti intends to answer: The Pope himself describes it as a "Social Encyclical" which borrows the title of the "Admonitions" of Saint Francis of Assisi, who used these words to address his brothers and sisters and propose a way of life marked by the "flavour of the Gospel".

The Encyclical aims to promote a universal hope toward fraternity and social friendship. The background of the Encyclical is the Covid-19 pandemic that Francis says "unexpectedly erupted" as he was writing this letter. The global health emergency has helped demonstrate that "no one can face life in isolation" and that the time has come to "dream, then, as a single human family".
